

# **Complete METSO Crusher Plant**

Alicante, 24.11.2015

# Complete METSO Crusher Plant

Offer number: A-151124-2000-01  
Brand: METSO  
Model: Different  
Year of construction: Different

## Technical data:

| Jaw Crusher METSO NORDBERG C 125 |                    |
|----------------------------------|--------------------|
| Brand                            | METSO              |
| Type                             | NORDBERG C 125     |
| Year of construction             | 2001               |
| Feeding opening                  | 1.250 x 950 mm     |
| Production                       | 295 - 545 t/h      |
| Electrical motor                 | 160 kW, 1.500 rev. |
| Weight                           | 43,91 t            |

| Cone Crusher METSO HP 300 |                    |
|---------------------------|--------------------|
| Brand                     | METSO              |
| Type                      | HP 300             |
| Year of construction      | 2006               |
| Production                | 300 t/h            |
| Electrical motor          | 315 kW, 1.500 rev. |
| Weight                    | 23 t               |

| Cone Crusher METSO HP 300 |                    |
|---------------------------|--------------------|
| Brand                     | METSO              |
| Type                      | HP 300             |
| Year of construction      | 2000               |
| Production                | 300 t/h            |
| Electrical motor          | 315 kW, 1.500 rev. |
| Weight                    | 23 t               |

| Chain Feeder     |                     |
|------------------|---------------------|
| Dimensions       | 8.000 x 2.000 mm    |
| Electrical motor | 14,9 kw, 1.500 rev. |
| Weight           | 10 t                |

| Scalper          |                     |
|------------------|---------------------|
| Dimensions       | 3.000 x 1.500 mm    |
| Electrical motor | 11,2 kW, 1.500 rev. |
| Weight           | 5 t                 |

| Screen 1         |                     |
|------------------|---------------------|
| Brand            | LARON               |
| Type             | CR-18.50/3B         |
| Dimension        | 1.800 x 5.000 mm    |
| Number of decks  | 3                   |
| Inclination      | 20°                 |
| Electrical motor | 22,4 kW, 1.500 rev. |

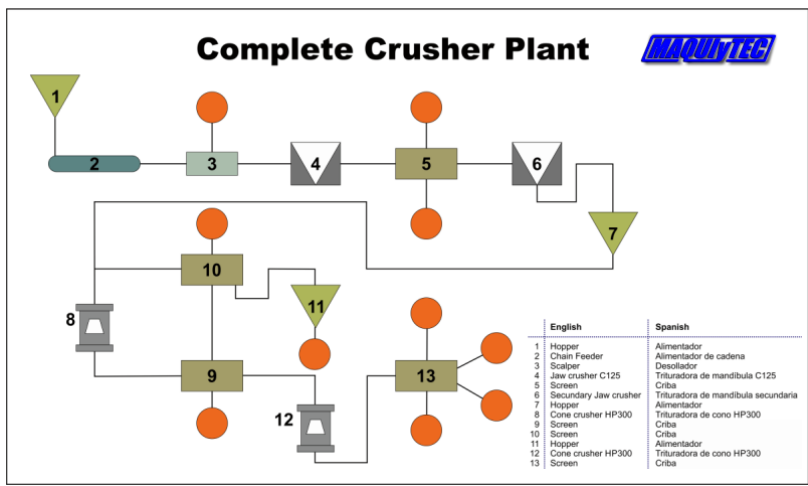

| Screen 2         |                     |
|------------------|---------------------|
| Brand            | LARON               |
| Type             | CR-18.50/3B         |
| Dimension        | 1.800 x 5.000 mm    |
| Number of decks  | 3                   |
| Inclination      | 20°                 |
| Electrical motor | 22,4 kW, 1.500 rev. |

**Status:**

- Complete installation of electric and electronic control
- Ex side in Spain

**Plant is in perfect technical conditions**  
**Sales price 530.000 €**

including dismantling and loading on containers
